

## Homestead Share

**70%**

of Need More Acres' income is generated via its 10-member Homestead Share program.

**80%**

of members' household food intake is procured directly through their Homestead Share.

**50%**

of a Homestead Share member's plate features vegetables. The USDA recommends a goal of roughly 30%.

## CSA & Live Market

**20%**

of Need More Acres' income is generated through CSA and live market sales.

**5%**

of total income is produced through pre-sold CSA baskets, and represent one-third of total market sales.

## Wholesale Partnerships

**10%**

of Need More Acres' income is generated in wholesale partnerships.

NMA provides produce to local restaurants like Boyce General Store, Home Cafe, and Nove Dolce.

Allen County and Warren County schools invited students to taste test over 3,200 lbs of fresh produce in 2016.

2,880 16-oz servings of fresh produce was provided to HOTEL INC, reaching over 800 children and 500 seniors.

Additional community partnerships included Mammoth Cave NP, BG Housing Authority, and more.
